

# One-stop Flow Chemistry Platform at WuXi STA

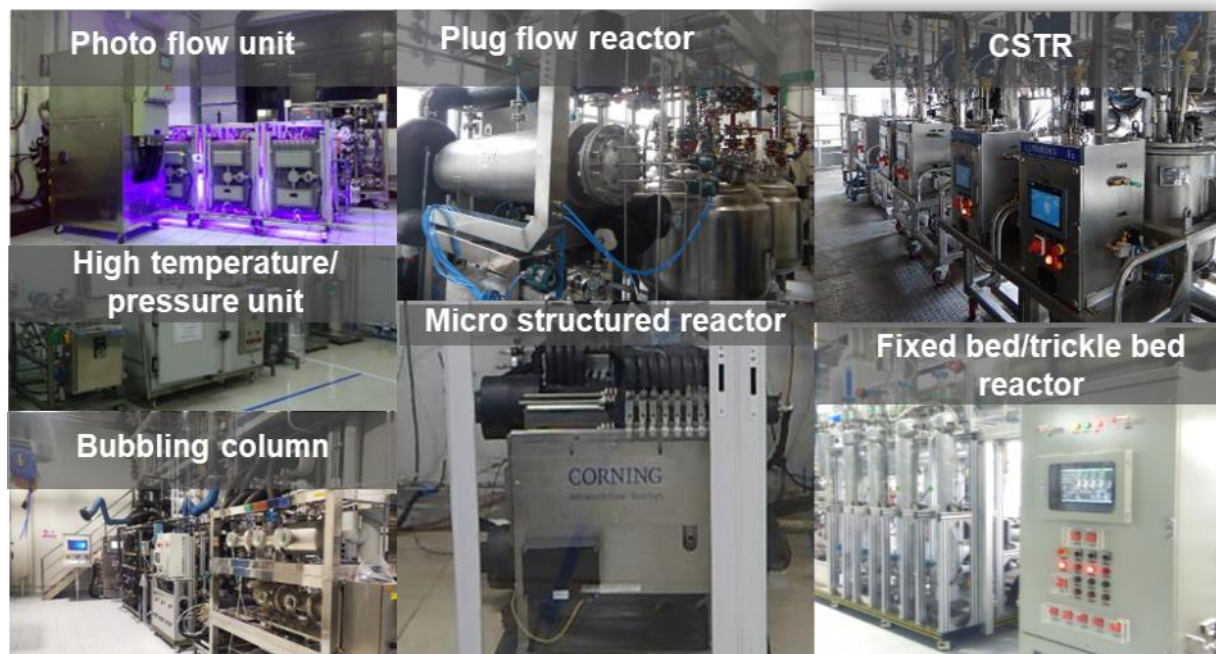

## Team

- Team size of **200+**
- Presence in **Waigaoqiao, Jinshan and Changzhou, Tianjin**

## Project experience

- **5+** process clusters, **40+** reaction classes
- **1000+** continuous manufacturing steps

## Production line

- **27+** production lines
- Throughput covers **all API manufacturing scales**

## Quality

- **GMP** and **PPQ** experience
- Application in **5 approved drugs**
