- Presentation and demonstration of synTQ RS and synTQ EM
- Discussions in relation to data integrity, cyber security, system resilience & Industry 4.0
- Sharing of roadmap with input from users encouraged
- Automated laboratory demonstration
- Demonstrations of all synTQ variants connected to live instruments and 3rd party systems
- Demonstration of the Material Tracking System
- Case study presentations from users of synTQ, including:
 - Batch & continuous OSD
 - Batch & continuous biotech
 - Batch API & flow chemistry
 - Presentations from key partners

Short on time? It only takes a minute to sign up to the event – [book your place](#) now and take one thing off your 'to do' list.

synTQ PAT TRAINING COURSE

Thursday 27th & Friday 28th June 2019

The [PAT training event](#) will follow the synTQ User Group Meeting and will comprise of multiple synTQ systems connected to live instruments with many of the less well-known as well as well-known functions installed and available for use.

- Attendees are free to join for the full 2 days or simply part of the time if preferred
- Attendees can experience the live hands-on experience of using synTQ
- Multiple Optimal staff plus instrument experts will be available to provide help and advice

We encourage you to attend in order to benefit from the information and experiences being shared – not just from Optimal but also from end users of synTQ. Don't lose out on this excellent opportunity – [book your place](#) to learn more about synTQ and what it can achieve for your business.

EVENT DETAILS

Price: Both events are completely FREE to attend – we only ask for attendees to pay for their travel and hotel plus any incidental costs.

Both events will be held at: [Normandy Farm, 1401 Morris Rd, Blue Bell, PA 19422, USA](#)

Accommodation: Optimal has arranged a limited amount of accommodation at [Normandy Farm](#), at a discounted rate. To benefit from this lower rate, please follow these 3 quick and easy steps:

1. [Click here](#) and select the rooms you require
2. Choose the option "Group Attendee" from the "Add Code" dropdown list
3. Enter the discount code OPTLTD in the box below, then click "Add" and the discount will be automatically applied at the checkout.

BOOK YOUR PLACE TODAY

Attendees are welcome to attend one or both events. As there are a limited number of spaces available and many have already been reserved, we encourage you to [book your place](#) as soon as you can to avoid disappointment.

We very much look forward to meeting you in a few weeks time!

In the meantime, you can...
