

Your strategic CDMO partner

We're a global expert in aseptic filling and packaging of injectable drug products.

Our organization

We are a privately owned CDMO offering product manufacturing support from preclinical development to global market supply and life cycle management. Our focus is the development, aseptic filling, and packaging of drugs in syringes, vials, and cartridges. We also offer a variety of packaging options, including autoinjectors and injector pens.

Our locations

- **Commercial manufacturing:** Germany
- **Clinical manufacturing:** US, Austria, Germany
- **Packaging & assembly:** Germany
- **Sales:** Japan, South Korea, Singapore, China, Germany, US
